

MULTI-FACTOR AUTHENTICATION SETUP

STEP 1

Log in to **OASIS.com**— you will be prompted to choose the MFA method you prefer.

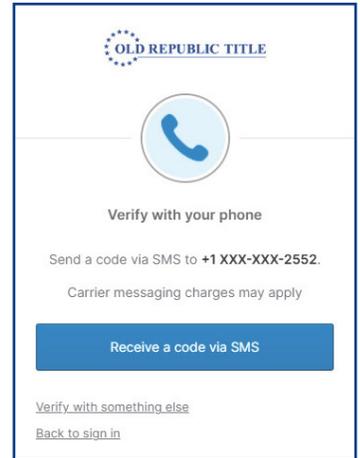

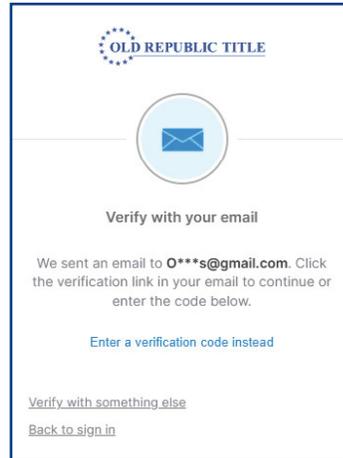

- Email (sent to your registered email address),
- or
- SMS text message (sent to your registered mobile number)

STEP 2

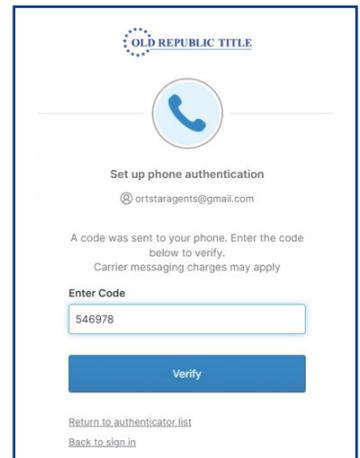

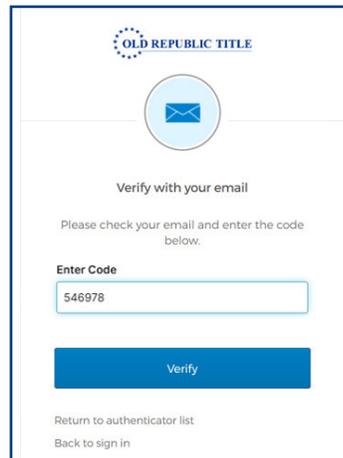

Check your inbox or phone for a one-time code.

- The message will include a 6-digit code that expires after a short time.

STEP 3

Enter the code on the verification screen and select Verify, and you're all set! You'll use this quick second step when signing in going forward.

For assistance, contact your Old Republic branch office.
